The Safest Investments

Are these that do not fluctuate during dis-turbed conditions of the money or stock mar-lets. First deed of trust notes (first mort-pages), well secured on red caints in the District of Columbia, constitute "rill-edge" investments. They do not depend upon the financial responsibility of individuals or op-portations for their stability, and are exemp-trem taxation as personal property. We can supply such investments in amounts from 1500 upward. Sund for booklet. "Concurring Loans and Investments."
